

SWORN AFFIDAVIT

The County of Moore
To Whom It May Concern:

My name is **Tracy Williams**, I live at 1410 North Ridge Street in Southern Pines, NC 28387. I have personal knowledge of the facts set forth herein.

On August 12, 2013, I was contacted on my personal cell phone by Detective Jason Perry of the Southern Pines Police Department. I asked him did he want me to meet him at the Southern Pines Police Station and Detective Perry told me **NO!!!** I thought since it was police business, he wouldn't care about the Police Department knowing about it!

We met at my mother's house at 1410 North Ridge Street because he said he did not want me to come to the Police Station.

On the first and only personal meeting, he told me I needed to help myself because of my Criminal Record and that it would be in my best interest. He asked me, "Do you know Stretch and Lil Dee and have you ever bought drugs from them?"

I said, "Yes I know them but never bought drugs from them because I don't deal with them like that!"

His next question was, "Do you know Sweet Pea and have you ever bought drugs from him?"

I said, "Yes, I do know him, but I never bought drugs from him and I never knew he sold drugs!"

He said it would be helping him out if I had or were to buy drugs from these specific people; Sweet Pea, Stretch, Green Eyes, Beans, Lil Dee and PS. Detective Perry gave me these specific names and asked me to purchase drugs from them. He said he would give me the money and I would wear a wire either in some eye glasses, hat, shoes or on my body. He told me that if I didn't do this, that he would make sure that I would spend a lot of time in prison because of my Criminal Record. He also told me that he would not lock me up if I cooperated. I did not promise I would cooperate so he kept trying to contact me.

I'm making this statement now because I'm willing to help someone that I know and it is the right thing to do. I've been knowing about this case for a while and I'm making this statement because when I heard Sweet Pea's mother was also arrested, (Mrs. Dickerson), I knew what Detective Perry was doing was wrong so that's why I'm telling what he tried to get me to do.

I also have many text messages from Detective Perry's personal cell phone number (910) 992-6010, and he text me to my personal cell phone number (910) 691-9422 & (910) 724-4746.

These are the text messages and the dates:
